Captain Spoofed As Poilu Asked of Clemenceau

Paris, Nov. 10.—Georges Clemenceau's features are of a pronounced Mongolian type.

On one of his numerous visits to the trenches during the war, he had a long conversation with an officer who, while engaged in commanding a company of infantry for the moment, incidentally happened to be a deputy.

After Clemenceau had left the sector a "poilu" stepped up to the captain and said:

"Who is the civilian you were talking to a minute ago, captain? It seems to me I've seen his picture somewhere."

The captain was non-plussed. Was it possible that one of his soldiers did not know the "Tiger"? He decided to have a little fun with the man.

"He is a rich and powerful Chinese mandarin," the captain informed the soldier, "he dresses in the European fashion so as to visit the trenches without creating too much of a stir."

"He might better raise an army of five or six million Chinese and come and give us a lift here against the Germans," replied the "poilu" gruffly.

Death Claims Miss Ophelia Currie in Asheville Today

Miss Ophelia Currie, one of the best loved young girls in Palatka, died today at one o'clock at Asheville, according to a telegram received late this afternoon. This announcement will cause genuine sorrow throughout the city, and especially among the large circle of friends who knew and loved her. She was the only daughter of Mr. and Mrs. C. E. Currie. At the time of her death her mother was with her.

The remains will be brought to Jacksonville tomorrow where arrangements will be made for the funeral which will take place Sunday, the hour to be announced later.

American Legion in Fox Reel at Grand for This Afternoon

This afternoon and tonight Manager Kalbfeld is running a Fox News a t t e Grand, in connection with the big picture program, showing the American Legion convention at New Orleans.

Tomorrow Constance Talmadge will be seen at the Grand in "Lessons in Love."

Miss Talmadge's latest production is a peppy farce comedy presenting the star in a light and pleasing role, that of a flapper who chooses to be wooed as a servant girl rather than as the blue-blooded member of society, even though short on ready cash and long on mortgages for the family home. In support of the star is a flawless cast of well-known players that includes Flora Finch, George Pawcett, Kenneth Harlan and Jimmy Harrison. The picture was taken in Florida last winter and contains beautiful tropical scenic shots. The feature was directed by Chet Withey and is an adaptation of the stage comedy, "The Man From Toronto." It is screened in five reels.

Two Killed in Barracks Attacks At Wellington

Dublin, Nov. 10.—Heavy firing cracked in various parts of the city during the night. The irregulars renewed their attack upon Wellington Military barracks and also fired upon the Porto Bello barracks. Two civilians were found dead on a suburban road and two soldiers lay wounded this morning in the center of the city.

Mrs. E. A. Helms Gains Twenty Pounds

"I firmly believe Tanlac saved my life," recently declared Mrs. E. A. Helms, R. F. D. No. 4, Gastonia, N. C. "I was suffering so badly with rheumatism, neuralgia and nervous indigestion," said she, "that I don't see how I could have stood it much longer."

"My stomach was so weak I could eat nothing except a little milk and bread and many times I could not retain that. I never knew what it was to get a good night's sleep and often I was so nervous and racked with pain that I felt I would rather not live."

"Tanlac helped me right from the start, and after taking three bottles many of my friends told me I looked a thousand times better. I told them I felt that way, too, and that it was all due to Tanlac. I have gained about twenty pounds and never felt better in my life."

Tanlac is sold by all good druggists.
